

ABET Student Sample Collection Guide

Department of Civil and Environmental Engineering

Reminders:

- Only include samples from students in the program being assessed
- Use [updated rubrics](#) to assign a 1, 2, 3, or 4 score (i.e., you may not assign a 2.5)

Step 1: What will you assess & when will you assess it?

Fill in this form [during the first 2 weeks of the semester](#):

<https://forms.gle/MKPkq6ycDdFUhHP79>

Top tip!

Step 2: Place an ABET reminder on your calendar!

Step 3: What did you assess and what were the results?

Fill in this form [2 weeks after the assigning the assessment](#)

instrument: <https://forms.gle/aVeJBqVuNfJsNHca6>

Calculate assignment average and standard deviation

Use the [rubrics](#) for the outcome assigned to your course

Be prepared to upload samples of each level of work and your solution
